Greetings

In this, our 26th annual sale, we are listing cattle that compare favorably with our former offerings.

Mr. H. H. Mutz established a choice herd of Shorthorns several years ago by liberal purchases from us of cattle representing our best families. He is selling a number of choice females listed herein.

There are fifty-three head catalogued, twelve bulls and forty-one females.

It will be found that twenty-five of the females have calves at foot and the remainder sell bred to our best bulls. As to breeding, the pedigrees speak for themselves. The cattle are in good thrifty condition and are an exceptionally useful lot.

The bulls are a good lot. Any one in need of a bull now, or in the near future, should attend this sale. Good bulls are probably as scarce today as they ever were. As we are selling twelve head, it will undoubtedly be a good place to secure a bull. They are good colors, out of as good dams as can be found. They probably carry as much blood of noted sires in their pedigrees as can be found in any other such number of bulls. These bulls can be depended upon to produce good calves.

We cordially invite all interested in good cattle to attend this sale.

There will be a meeting of the Missouri Shorthorn Breeders' Association in Maryville the night of June 30th.

Attention is called to Geo. Allen & Sons sale at So. Omaha, June 29, and the Stanley-Deggenger-McMaster Sale at Sheridan, July 1st. Transportation will be furnished from this sale to the Stanley Sale the morning of July 1st.

Plan to attend the three sales.
